Useful Information!

Can I swap titles within packs?

You can swap Notes for Notes or paperback for paperback or do a swap with a title not included with the packs.

Where a title goes out of print I will provide a computer print out and supply a copy when it is back in print.

There is a 10% discount on all individual titles.

I will acknowledge on receipt of each order and provide a despatch date. Being in isolation until at least January 2021 I rely on my very efficient helper to take post to Royal Mail.

All orders go either First Class or on the 48 hour service.

Orders by e.mail are post free within the UK and at cost to overseas customers.

PayPal charges postage. Payment can be made by BACS (ask for details).
Invoice with cheques payable to the History House. All payments in pounds sterling.
